Subject: Food caterers

Hey Janny,

I used Desi Chef for my catering and wedding planning and I could not have been happier. The food was amazing and people could not get enough of it.

They can serve more than 1. \_\_\_\_\_ easily. Moreover, the themes are separate for every event. They not just serve for the purpose of birthday party or kitty party, but even for some 2. \_\_\_\_\_. But in case you are planning for 3. \_\_\_\_\_ your wedding, then no other caterer could be better than them. Pictures of my mac and cheese bar circulated on facebook the night of my wedding. My guests 4. \_\_\_\_\_.

They excel in retaining the authentic taste of the cuisine. Also, Kate and Kelly did an amazing job and far exceeded my expectations with the planning. They recommended excellent vendors and helped me with everything along the way. The coordination of the weekend went perfectly. Highly recommended!!! Just for your assistance I've attached the brochure along with which has the contact details. They have not mentioned about the 5. \_\_\_\_\_ on the pamphlet, but you may ask them for it. I can assure that they will not disappoint you.

Love,  
Maria
