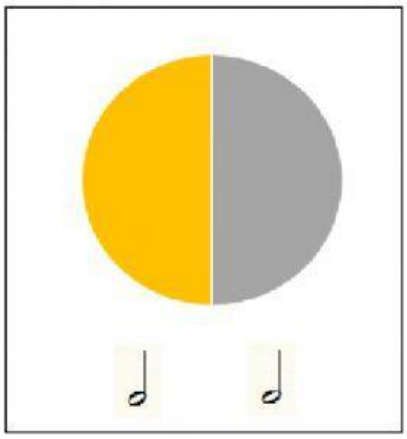
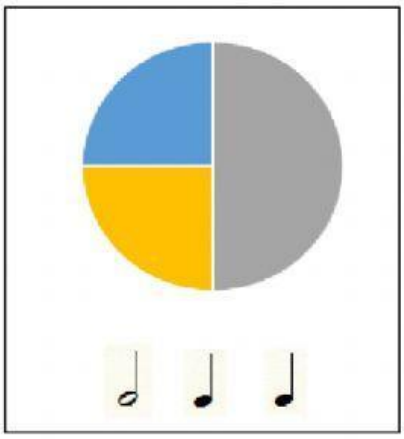
Nombre_____Grupo:_____Fecha:_____

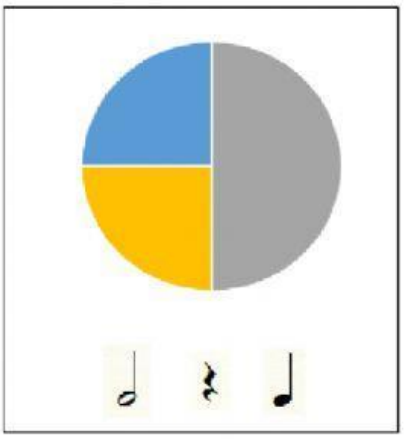
Valores fraccionarios de las notas musicales

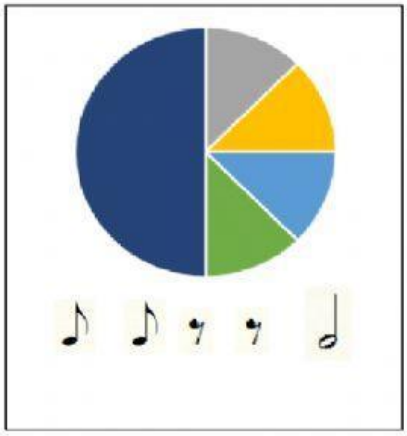
Relaciona de manera lógica las figuras de las notas a los espacios del grafico.

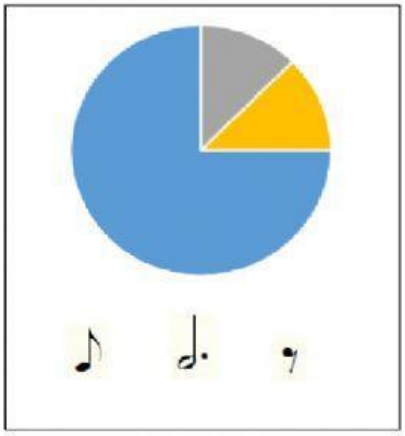
1.-Arrastra cada una de las notas hasta el espacio del grafico que le corresponde

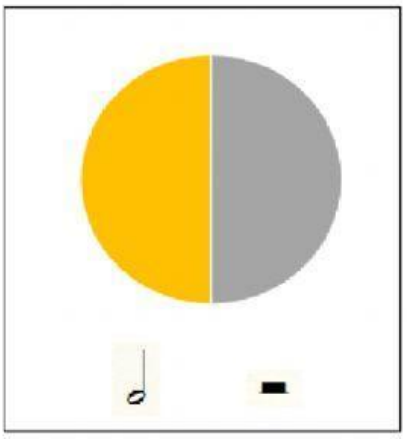


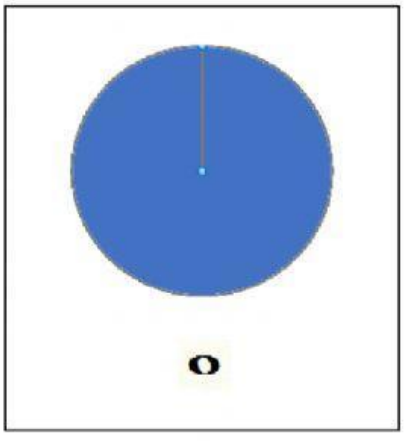




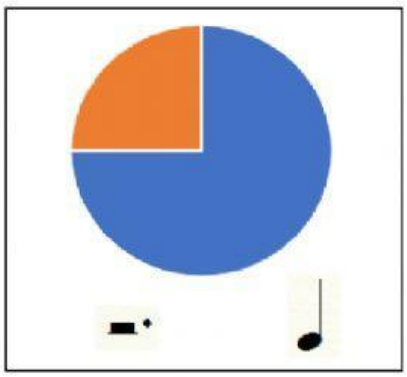


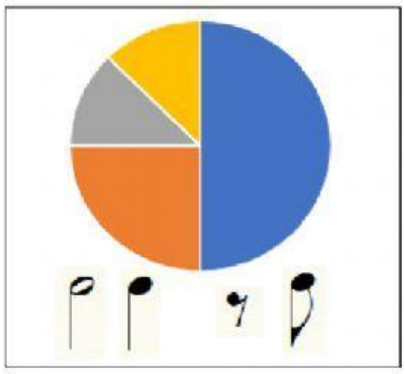


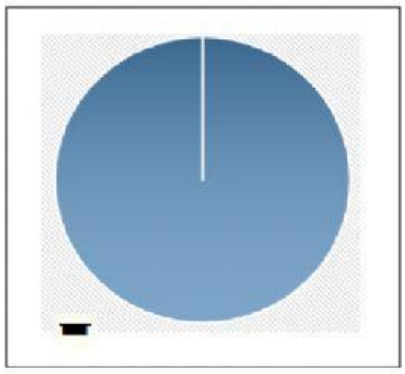




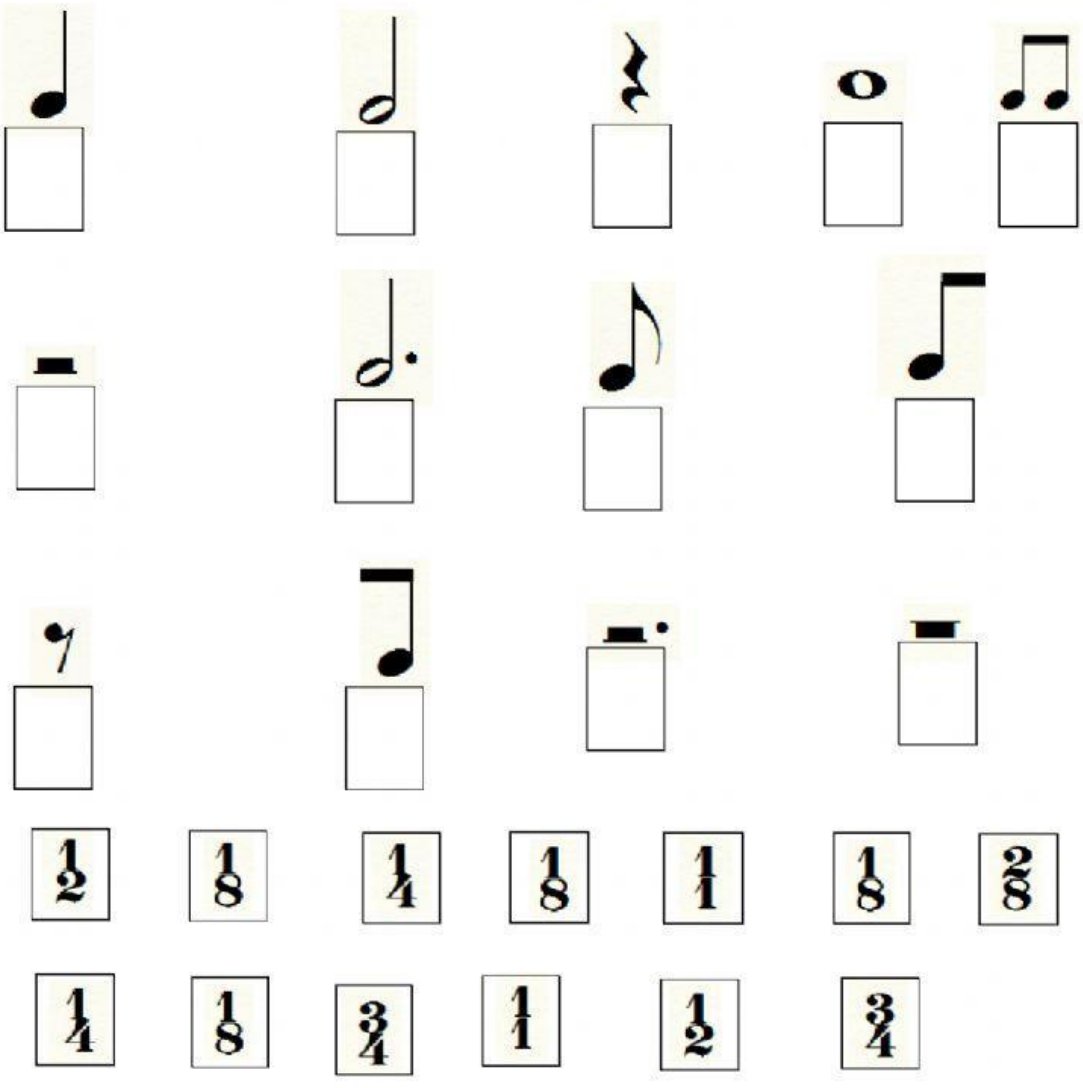
LIVEWORKSHEETS







2. De acuerdo a los graficos anteriores, indica el valor fraccionario de las siguientes figuras de notas y silencios, arrastrando las fracciones a su figura correspondiente.



LIVEWORKSHEETS

3. Relaciona las columnas escribiendo la letra en el espacio correspondiente
Empieza siempre contando los primeros 15 minutos del reloj en todos los graficos.

El espacio entre las 12 y las 3:00 representa el espacio que primero debe contarse para asociar mas eficientemente los graficos con los compases.
