

Read the definition of CouchSurfing. Then listen to four speakers describe their first experience. Did they have a good time? Answer YES or NO.

***CouchSurfing* (noun)**

CouchSurfing is a cheap way of travelling and seeing new places. It's a very simple idea. When you visit another city, you stay in somebody's house or flat. That person, the host, gives you a room and a bed, and if they don't have a bed, then you can sleep on their couch, or sofa. Hosts often show guests around their city.
