

# Add

## Vocabulary

add, addition, altogether

4 and 2 make 6.

$$4 + 2 = 6$$

**Hint:** Draw the jumps on the number line to find out how many altogether.

5 and 3 make

$$5 + 3 = \square$$

6 and 4 make

$$6 + \square = \square$$

8 and 5 make

$$8 + \square = \square$$

12 and  $\square$  make  $\square$

$$12 + \square = \square$$

$\square$  and  $\square$  make  $\square$

$$\square + \square = \square$$
