| Hello my dear e-friend, | | | | | |
| I was born in a pretty village and I lived there for twenty-four years. As a child, I enjoyed the air of the village and played with my friends. | | | | | |
| Now, I am living in a city. Life in a city isharder than life in a village. There are facilities such as universities, libraries, cinemas, etc. But there are , too. Heavy traffic and pollution are two examples. | | | | | |
| In my village people are always busy animals andin fields. Theythe farms in fall. Many farmers use tractors totheir farms | | | | | |
