ELEPHANTS

Whales are bigger than all the animals in the sea, but elephants are bigger than all the animals on the land. There are elephants in India and Africa. African elephants are bigger than Indian elephants.

Elephants usually eat fruit and plants, and they love drinking and playing in water. Elephants aren't usually dangerous animals. Humans are a lot more dangerous than elephants!

Some people enjoy hunting elephants. These people kill between 10,000 and 20,000 elephants every year. At the moment, safari parks are protecting some of the elephants, so they don't become extinct.
