Read the text and answer the questions.

Hi! I want to show you my bedroom. Here! What a beautiful bedroom, right?

I share it with my two sisters Emma and Louise. But only when they want to play. They like to sleep with our parents. I asked my father Andy to take this picture. My sisters are playing with their teddy bears. They are so cute! Sometimes we fight, but it's okay. I remember that before he took this picture, I was brushing my teeth. Then, I decided to pose with my favorite book: *The Little Prince*. But I'm not that type of person. I was reading for real! What do you think about my bedroom?

– Louis
