

MONEY PERSONALITIES

Direction: Which money personality do you have? What about your parents? What about your siblings? What about your best friends?

The Idealist

They are aware that money is a necessary part of life, but they'd rather not get bogged down with it.

The Stockpiler

They are always saving for a rainy day, just in case.

The Hedonist

They know how to enjoy life. Money's not going to get in the way of their freedom.

The Celebrity

Why settle for the ordinary when they can buy themselves the extraordinary?

The Nurturer

Their savings provide for the people they love if they ever find them in a pinch.

The Conqueror

Making money comes naturally to them because work is the love of their lives.
