Croatia's best campsites

Croatia is an ideal holiday place with its warm and dry summers and sea temperature of 25°C. The island of Hvar is the sunniest place in Europe – they have more than 2,800 hours of sunshine a year.

You can go on a camping holiday or stay in a hotel near the beach. You can play in the sand or in the crystal clear water. If you like water sports, try swimming, snorkelling or fishing. You can visit the islands by boat – there are over 1,000 of them!

There are big play areas with swings and slides. You can have a game of beach volleyball with your friends. If you don't like water sports, try horseback riding or hiking in the hills, tennis or beach volleyball. Bicycle paths take you to nice old towns and small villages. There you can take photos of old historic buildings and learn about the history of the place.
The restaurants are not so cheap but very popular. They offer something for everyone – grilled chicken with Greek salad or Mediterranean potato salad, fish with grilled vegetables and lots of fresh fruit grown in local orchards.
