

UNIT 5 – (7)

1 What great news!. Listen and fill in the boxes.

Presenter 1 And finally, here's some news which is good for the environment and great for your

A student of Product Design at Sheffield Hallam University has designed a which is made almost completely from recycled, and , materials.

'A ' you might ask! 'Well, apparently not! Phil Bridge, the 21-year-old designer, explains that the bike is made of an which is completely He says there are

two main advantages to cardboard bikes: firstly, they're relatively cheap to produce and, secondly, they would

Mr Bridge says that each cardboard bike can be made for about £15 plus the components. He that if you make a bike from cardboard, no one will want to steal it. You

or disappearing if you left it in the street. This is great news for in Britain, someone steals a bike every minute!

2 Translate into English

Robinson Crusoe

Náufrago en una isla desierta

The writer Daniel Defoe tuvo

vida intrépida. Fue también soldado, espía y presidiario

Find the answers to these questions:

¿Cuándo nació?

3 Grammar: conditionals

Complete the boxes with the structure of each conditional and an example

Watch the video 1st. <https://youtu.be/FH3ThwR99LM>
