

# MATHEMATICS WRITING EQUATIONS

Read the statements carefully and rewrite them as equations.

1. Ashae has fourteen pencils in a box. Her sister borrowed a few and did not return them. She now has seven pencils.
2. Shemarra had a box of hair clips which she sold at \$150.00 each, making a total of \$2500.

Read the statements carefully and rewrite them as equations.

3. Julene had some egg cartons that could store only six eggs each. She used all her cartons to store her 48 eggs.
4. The grade five students collect 789 bottles, which is five times more bottles than the amount collected by the grade one students.
