TIME

Draw Sara's time of each activity on each clock

The illustration shows three instances of a girl named Sara in a vibrant outdoor setting. In the first instance, she is walking and waving, with a clock face above her. In the second instance, she is sitting at a small table with a basket of fruit, with a clock face above her. In the third instance, she is sitting at a dining table with a yellow tablecloth, eating a meal, with a clock face above her. The background features a bright blue sky with white clouds, a sun with rays, and a lush green landscape with rolling hills, trees, and a field of colorful flowers.
