

1. Choose the correct word.

Symptoms of a cold

2. Organize the conversation by writing numbers.

☐ I feel terrible! ☐ Oh, dear. What symptoms do you have? 

☐ I have a headache, earache, watery eyes, and a runny nose. ☐ Why? What's the problem? 

☐ I **might** have a cold! I'm not so sure.

☐ Lucky you! ☐ Then **you should** not eat cold things. 

☐ Yes, I am in bed. I can't go to school because I have a fever. I even have a toothache! My teeth hurt because of the fever. ☐ That's horrible! 

☐ I am not hungry, anyway. I have a cough and a sore throat. I can't speak! ☐ I'm fine! 

☐ And you? ☐ Yes, you have a cold. **You should** stay home and call the doctor now, or you'll get much worse.
