

Interview with an adventurer

Alastair Humphreys

Tell us about your last adventure. Did you go to a dangerous place?

No, I didn't go anywhere dangerous. In fact, I didn't leave the UK. I stayed in London. I went around London on the M25 motorway. But I didn't drive.

Did you walk?

Yes, I did. I left my house in London in January and walked all the way. It was cold and it was snowy. It wasn't easy. I saw new places. In fact, I saw some beautiful places. And I met interesting people. It was a local adventure.

What did you do after you finished your adventure?

I had one or two more local adventures and I made videos about them. People around the world watched the videos. But they didn't just watch them – they liked my ideas and they went on local adventures too.
