

Every pupil of our class is on duty once a month. It is Tuesday today. Vira and her classmate Victor are on duty. The lessons are over and now they are cleaning the classroom. Vira has already dusted the window –sills with a duster. And now she is dusting desks and chairs. She is going to water flowers and to clean the blackboard.

Victor is in the middle of the classroom now. He has already swept the floor. He is going to wash the floor. He has brought a bucket of water. Victor likes to help Vira because he is kind and careful.
