

Guía de Trabajo N°1: Sumas iteradas.

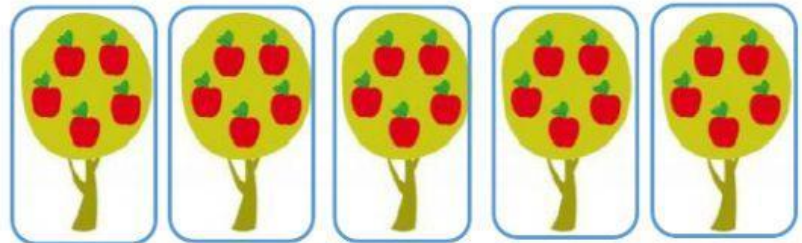

I. ¿Cuántos hay? Completa los espacios con la suma iterada que corresponda.

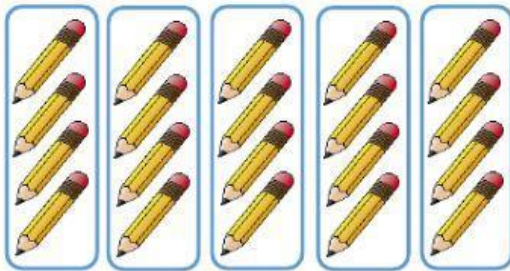

$$\square + \square + \square + \square + \square + \square + \square + \square + \square + \square + \square = \square$$

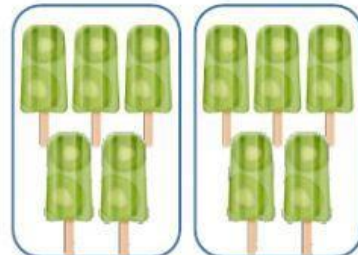

$$\square + \square = \square$$

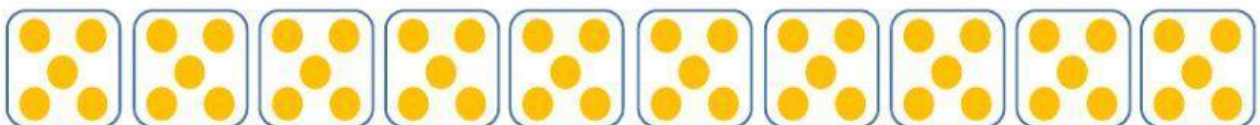

$$\square + \square + \square + \square + \square = \square$$

$$\square + \square + \square + \square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square + \square + \square + \square + \square + \square + \square + \square + \square = \square$$
