

# READING COMPREHENSION

Let's read the story of Nicol.

Hello! This is me. My name is Nicol and my last name is Herrera. I'm 15 years old. My birthday is on July 14th. My family is from Piura, but I am from Arequipa. I live in a small house with my mom and dad. I study at Santa Rosa de Lima school. My favorite subject is EPT and Communication. I love it.

My mom and dad are teachers. My mom's name is Sofia. She is 47 years old. She teaches DPCC. My dad's name is Josee. He is 50 years old. He teaches English. They are very special to me. Every weekend we go to the supermarket because I love buying fruits and vegetables.

This year we have elections in Peru and we vote at the age of 18 years old. I don't vote in the elections because I'm 15 years old. But my mom and dad vote. They can vote with an identity card (ID). I believe that teenagers are important in a democracy.
