

### Watch, listen and read

Check the news: *Latin America's landmarks: Before and after coronavirus images show stark contrast.* Answer the exercise.

#### A. Complete the ideas. Write only one word in each box.

1. A look at usually-crowded tourist destinations in Latin America shows empty \_\_\_\_\_ and streets where there are normally massive crowds this \_\_\_\_\_ of year.

2. Views of Latin-America \_\_\_\_\_.

3. Copacabana beach \_\_\_\_\_ packed with people around this time of year, look at it now, \_\_\_\_\_ on that famous beach.

4. In Mexico City, the \_\_\_\_\_ leading to the Basilica of Guadalupe, normally \_\_\_\_\_, now it is nearly empty.

5. The stark \_\_\_\_\_ is also evident in the normally bustling streets of the Mexican capital and around the Aztec and Mayan pyramids.

6. The \_\_\_\_\_ impact to these financial and \_\_\_\_\_ touristic districts is equally tremendous.
