My name is Danny.

I've got an unusual pet – a spider!

Lots of people are scared of spiders, but they're good pets! They're small, they haven't got teeth and they aren't noisy! My sister has got a hamster, but it isn't very friendly. Our grandma has got a budgie. It can't talk, but it can fly in her house! My favourite animals are horses. They're big and noisy, and I can't have one for a pet!
