Read the lyrics and choose the correct words. Then, listen to the song and check!

[Verse 1: Justin Bieber]

I **hear** / **listen** / **overhear** -1- a lot about sinners
Don't think that I'll be a saint ,but I might go down to the river
'Cause the way that the sky opens up when we touch
Yeah, it's **forcing** / **making** / **getting** -2- me say

[Chorus: Justin Bieber]

That the way you hold me, hold me, hold me,
hold me, hold me
Feels so holy, holy, holy, holy, holy on God
Runnin' to the altar like a track star
Can't wait another second
'Cause the way you hold me,hold me, hold me,
hold me, hold me
Feels so holy

[Verse 2: Justin Bieber]

I don't **get** / **make** / **do** -3- well with the drama
And, no, I can't stand it being fake
(No, no, no, no, no, no, no, no)
I don't believe **on** / **in** / **of** -4- nirvana
But the way that we love **in/on/at** -5- the night
gave me life. Baby, I can't explain

Repeat [Chorus: Justin Bieber]

[Bridge: Justin Bieber & Chance the Rapper]

They say we're too young and The pimps
and the players say,

HOLY

"Don't go crushin'"

Wise men say fools rush in

But I don't know (Ah-ah-ah-ah)

They say we're too young and The pimps and the players say,

"Don't go crushin'"

Wise men say fools rush in

But I don't know

[Verse 3: Chance the Rapper]

The first step pleases the Father

Might be the **harder / hard / hardest** -6- to take

But when you come out of the water

I'm a believer, my heart is fleshy

Life is short with a temper like Joe Pesci

They **ever / every / always** -7- come and sing your praises,
your name is catchy

But they don't see you how I see you, Parlay and Desi

Cross, Tween, Tween, Hesi' hit the jet speed

When they get messy, go lefty like Lionel Messi

Let's take a **journey / trip / travel** -8- and get the Vespas or rent a jetski

I know the spots that got the best weed, we goin' next week

I wanna honor, wanna honor you

Bride's groom, I'm my father's child

I know when the son takes the first steps, the Father's proud (Yes)

If you make it to the water, He'll part the clouds (Uh)

I know He made you a snack like Oscar Proud (Mwah)

Suffer it to be so now gotta clean it up (Ooh)

Formalize the union in communion, He can trust (Woo)

I know I ain't leavin' you like I know He ain't leavin' us (Ah)

I know we believe in God, and I know God believes in us.

Repeat [Chorus: Justin Bieber]
