## Unique "One Love Dome" with private Fire spot

Ivan

Ko Pha-ngan

### **Dome house**

2 guests 1 bedroom 1 bed 1 bath

If the goal of your travel is truly memorable emotions - you will definitely like to stay here!

Besides non-standard look our Dome have many exclusive features. Private backyard with bonfire, lights and music controlled by your voice are just couple examples. All details you can read in description below.

I will recommend you the best spots on island according your wishes and will do the best to make your stay really comfortable and special!

### **The space**

There is a queen-size bed with soft mattress, dining/working place, and a restroom with hot shower and washstand inside. Soap, shampoo and towels are included. Wi-Fi is good enough to watch movies.

Apart from the unique accommodation, you will get a lot of benefits which would tremendously improve your vacation and let you save your time and cost:

- + You'll get acquainted with us. We will meet you at the pier, take you home, assist you in renting a motorbike, and help you with everything else.
- + Outside you will find a bonfire place, firewood, and a hammock for spending an emotionally warm evening in complete relaxation
- + Free tea, coffee, and biscuits in the room. Eat and drink as much as you like!
- + Bluetooth speaker is provided because life is better when your favorite music is playing.
- + Electric fumigator will protect your sleep from tropical mosquitoes.
- + There are 16 lighting colors at your option to create a unique atmosphere.
- + Besides, you will get a Phangan-related mobile app free of charge and become one of its first users! It is designed to show you all beaches, view points and waterfalls in 360 format with locations. There is also EMERGENCY button just in case.
- + The island's iconic jam sessions are organized on Tuesdays and Saturdays in the vicinity. Gifted musicians and singers make these evenings truly unforgettable. Besides, each of our guests gets a free drink!

Our dome is equipped with fans. Due to its shape and ventilation system, the house is cooler than standard bungalows.
