

CAMILO'S LAST WEEKEND

Hello! I'm Camilo and my last weekend was incredible. On Saturday morning I played soccer with my best friend Santiago at his house. Later, I saw a series with Santiago and his family. In the afternoon, I went home because my sister was sad and I wanted to make her feel better. However, we did not find anything to do at home. We decided to have a picnic in the garden and it was fantastic. The next day, I started the day very happy because my mother prepared a delicious breakfast. I spent all of Sunday watching movies with my family and playing video games. In general, I loved my weekend.
