

- ✓ We are going to learn about seasons in Indonesia.
- ✓ Understand the PPT, first.

1. Match each season with its characteristics.

- | | | |
|--------------|---|----------------------------------|
| | | • The air feels cool. |
| | • | |
| | • | • It's sunny every day. |
| Rainy Season | • | • The road is wet and slippery. |
| | • | |
| | • | • Rain falls almost every day. |
| | | |
| | | • The soil is dry. |
| | • | |
| Dry Season | • | • It's usually cloudy. |
| | • | |
| | • | • There are puddles on the road. |
| | | |
| | | • The air feels hot. |
