

Descomposición de números

Realiza la descomposición numérica del número indicado: observa el ejemplo:

The image shows six houses, each with a number in a circle on its roof and two columns of boxes for decomposition. The example house (top center) has a roof of 4, with boxes containing 2, 2 in the top row and 1, 3 in the bottom row. The other houses are:

- House 1 (top left): Roof 5, boxes 4 and empty in the top row; 3 and empty in the bottom row.
- House 2 (top right): Roof 8, boxes 5 and empty in the top row; 7 and empty in the bottom row.
- House 3 (middle left): Roof 9, boxes 5 and empty in the top row; 6 and empty in the bottom row.
- House 4 (middle right): Roof 7, boxes 4 and empty in the top row; 6 and empty in the bottom row.
- House 5 (bottom center): Roof 6, boxes 4 and empty in the top row; 3 and empty in the bottom row.

1 - 2 - 3 - 4 - 5 - 6 - 7 - 8 - 9 - 10
