MULTIPLICATION PATTERNS WITH DECIMALS

Complete the pattern.

$$390 \times 1 = \underline{390}$$

$$390 \times 0.1 = \underline{\hspace{2cm}}$$

$$390 \times 0.01 = \underline{\hspace{2cm}}$$

$$1 \times 5 = \underline{\hspace{2cm}}$$

$$0.1 \times 5 = \underline{\hspace{2cm}}$$

$$0.01 \times 5 = \underline{\hspace{2cm}}$$

$$1 \times 9,670 = \underline{9,670}$$

$$0.1 \times 9,670 = \underline{\hspace{2cm}}$$

$$0.01 \times 9,670 = \underline{\hspace{2cm}}$$

$$10^0 \times 49.32 = \underline{49.32}$$

$$10^1 \times 49.32 = \underline{\hspace{2cm}}$$

$$10^2 \times 49.32 = \underline{4,932}$$

$$874 \times 1 = \underline{874}$$

$$874 \times 10 = \underline{\hspace{2cm}}$$

$$874 \times 100 = \underline{\hspace{2cm}}$$
