

Writing with Conjunctions

The words and, but, and or are conjunctions. In sentences, these conjunctions join nouns, pronouns, verbs, adjectives, or adverbs.

Examples of Conjunctions	
noun + noun	Japanese <u>life</u> <u>and</u> <u>culture</u> are fascinating.
pronoun + pronoun	<u>You</u> <u>or</u> <u>I</u> may visit Japan someday.
verb + verb	The Japanese people <u>appreciate</u> <u>and</u> <u>respect</u> many old traditions.
adjective + adjective	Yet <u>European</u> <u>or</u> <u>American</u> influences are also seen in Japanese life.
adverb + adverb	<u>Creatively</u> <u>but</u> <u>carefully</u> , Japan has <u>blended</u> the old and the new. .

Conjunctions can also join groups of words. In your writing you can use conjunctions to combine the ideas in short sentences.

Japan borrows Western customs. Japan keeps its best traditions.
Japan borrows Western customs but keeps its best traditions.

Summary * A conjunction joins words or groups of words.
--
