influence	radio	newspaper	influential	mass media
-----------	-------	-----------	-------------	------------

The source that the majority of the general public uses to get their news and information from is considered \_\_\_\_\_. The general public relies on the mass media to provide the relevant information they want or need. Modern mass media began with \_\_\_\_\_. For a long time it was the most popular source; people kept buying and reading the news. With the invention of \_\_\_\_\_ the main source changed. It took over the newspaper as the most popular source of information. The television has been the most \_\_\_\_\_ of mass media because we are exposed to thousands of images on a daily basis. Nowadays after internet has been a part of our lives, mass media has more \_\_\_\_\_ over our lives.
