# NEW YORK

ARLET

ROGER

Name: \_\_\_\_\_

## **NEW YORK**

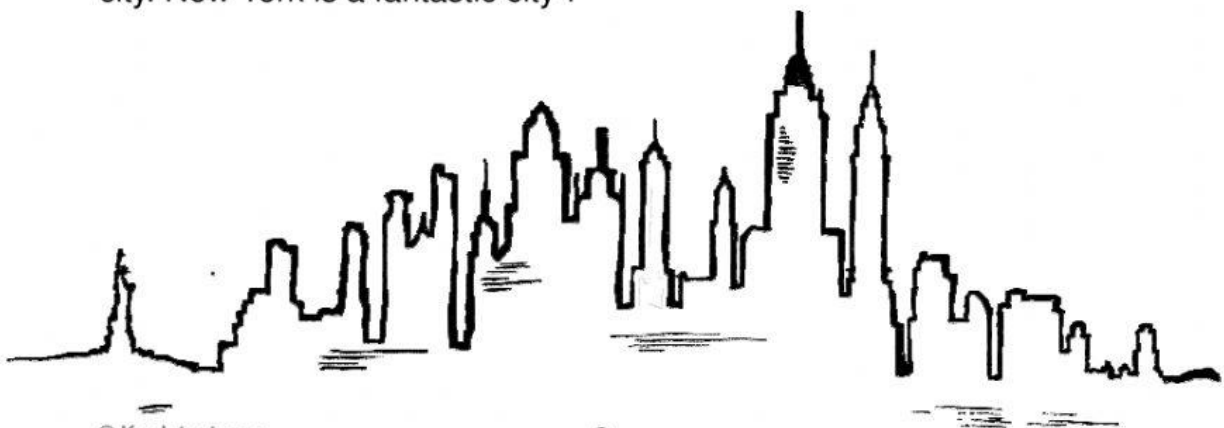

New York is a city in the United States of America. It is located on the East Coast. It is next to the Atlantic Ocean. About 8.400.000 people live there. People speak English.

New York city is very famous for the Statue of Liberty, the skyscrapers, Manhattan, Times Square, Little Italy and the parks.

The Statue of Liberty is an American symbol. It was a present from France. The Statue is a woman with a book and a torch. It is 46 metres tall. There are 25 windows in the crown. Lots of tourists visit the Statue every year.

Another famous place in NY is Central Park. It is a very big and beautiful park. You can go walking, rollerblading or skating in the park. There are lakes, trees and animals in the park too.

The skyscrapers are amazing in New York city. They are very tall buildings. The Empire State building is one of the most famous skyscrapers in the world. It has 103 floors. It is 381 metres high. Also, there are lots of cinemas, museums and theatres in New York city. New York is a fantastic city !
