

Hello! My name is Jane and I am ten years old. I have got brown hair and blue eyes. I am tall and slim. My favorite color is pink.

I live in New York. I have got a beautiful big house. My dad is a doctor and my mum is a teacher. I haven't got any brothers or sisters. I have got a cat and a dog. My cat is two years old and my dog is twelve.

I really like school! My favorite subject is History. I don't like Geography – it is really difficult! Every Wednesday I visit my grandparents. I love them so much!

My best friend is Alice. She is nine years old and she loves sports. We often play tennis together.
