5

The future

Unit 5 Lesson 1

Watch the video and choose the words you hear.

Robots

Traffic

Alien

Walking car

Holiday

Future

Students

Flying car

Swimming car

School

Dream

2**Listen and write.**

Listen to Vicky and her friends talking to their teacher about what their city of the future will look like. Choose the correct answers.

1. Paul thinks that there will be

- a. robots which play games
- b. house robots that do the housework
- c. flying cars

2. Tom thinks that there will be

- a. recycling machines
- b. robot doctors
- c. sweet machines

3. Suzy thinks house robots will

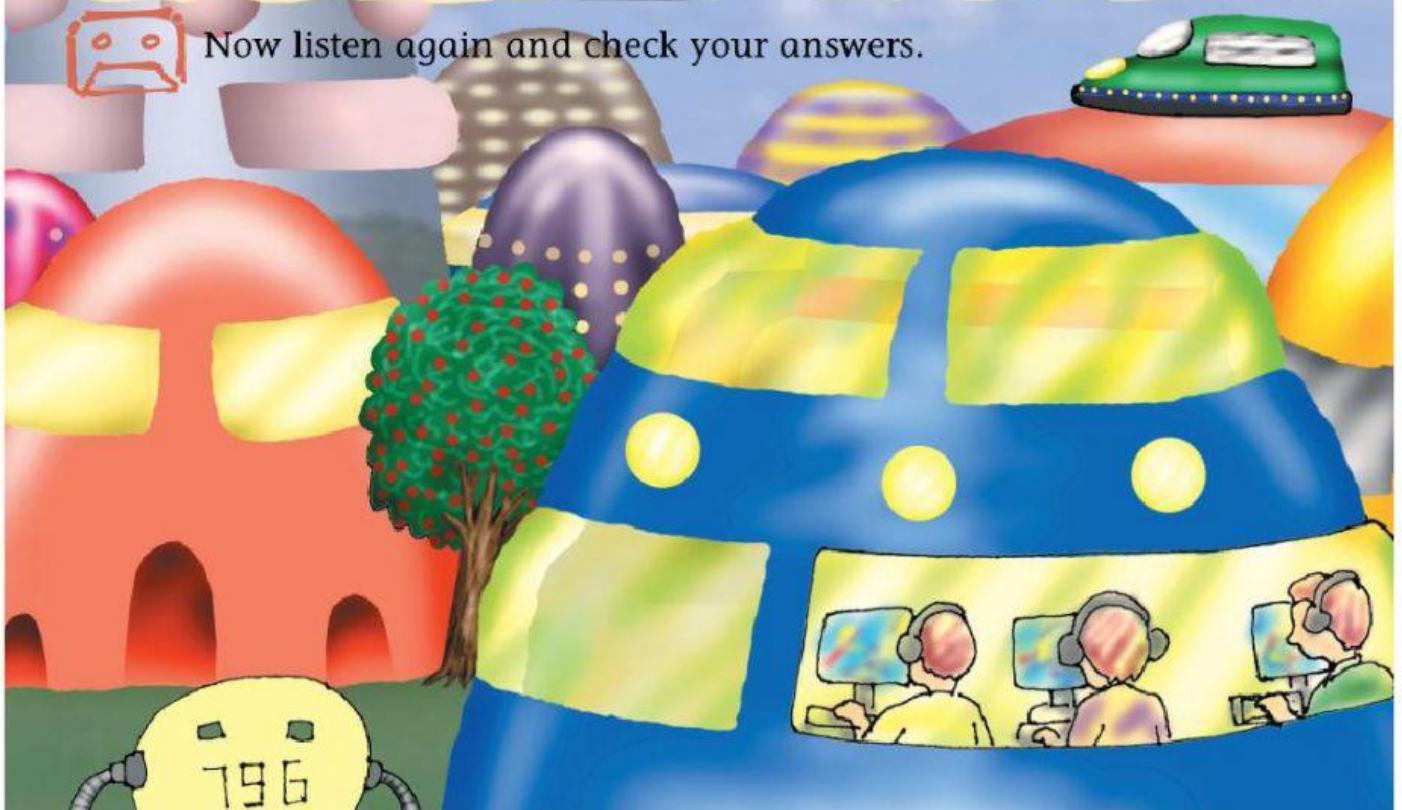

- a. recycle our materials
- b. do the housework
- c. give children cakes and ice-cream

4. Vicky thinks that there will be

- a. robot doctors
- b. flying cars
- c. robot teachers

Now listen again and check your answers.

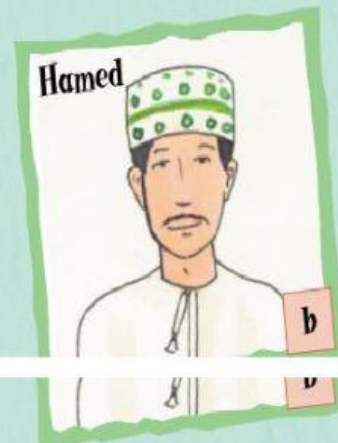

1**Read and match.**

Read what Maha and her brothers say about how they are going to make their dreams come true. Match what each person says to their picture.

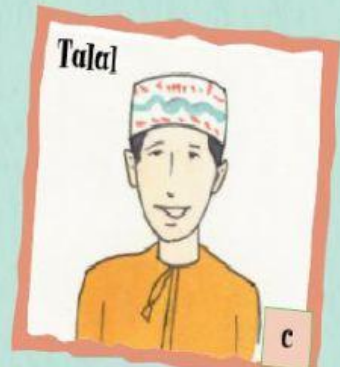

I'll finish my education and go to college. I'll work very hard to learn English because I'll need to speak it well to be a tour guide. I'll have to read lots of books about Oman.

1**2**

I'll work hard at school and then I'll go to university and study business studies. I'll do lots of research on the traditional clothes and jewellery in Oman and other countries in the Middle East.

Hamed

When I leave school, I'll go to university. I'm not sure what I want to study. Maybe I'll study engineering or business studies. I want a job where I will be able to invent things using the latest technology.

3**Tala**

Now listen and check your answers.

1

Look and match.

At school, Maha and some of her friends have designed their ideal classroom of the future. Look at each girl's interests and decide who did each design.

Name

Siham

Interests

travelling
meeting people
sport

Name

Amal

Interests

drawing
painting
sewing

Name

Maha

Interests

computer games
the Internet
e-mailing people

hi-tech classroom

travelling classroom

comfortable classroom

Make a list of people,
places and things you
can find in a classroom.

Now listen and check your answers.
