

2 SHE LOVES SKATEBOARDING

1 READING

Read the dialogue. Then read the sentences and write T (true) or F (false).

MARISA What are you reading, Donna?

DONNA It's a magazine about the stars. There's an article about what they like doing in their spare time.

MARISA Really?

DONNA Yes. Did you know that Halle Berry enjoys painting and she gives her pictures to friends at Christmas?

MARISA No, I didn't know that. Johnny Depp likes painting as well, I think. And I read somewhere that Sylvester Stallone likes it, too.

DONNA Yes, that's right. Look, there are photos of some of their paintings. They're pretty good. And it says here that Kylie Minogue likes playing word games.

MARISA Well, she likes words—she writes her own songs, I think. What about sports stars? They don't get a lot of spare time because they practice every day.

DONNA When she isn't playing in tennis tournaments, Venus Williams loves designing clothes.

MARISA That's interesting. Does she wear the clothes she designs?

DONNA I don't know. The article doesn't say and there aren't any photos of her.

MARISA Are there any funny things in the article?

DONNA Well, it says that Cameron Díaz likes eating caviar and fries. That's funny.

MARISA Why is it funny?

DONNA Caviar is very expensive and fries are cheap.

MARISA What's caviar?

DONNA Fish eggs.
