There _____ (be) another in the fire

Standing next to me

There was another in the waters

Holding back the seas

And should I ever need reminding

Of how I've been set free

There is a cross that bears the burden

Where another _____ (die) for me

There is another in the fire

All my debt left for dead beneath the waters

I _____ (be) no longer a slave to my sin anymore

And should I fall in the space between

What remains of me and this reckoning

Either way I _____ (not bow) to the things of this world

and I know I will never be alone

There _____ (be) another in the fire

Standing next to me

There is another in the waters

Holding back the seas
And should I ever need reminding
What power _____ (set) me free
There is a grave that holds no body
And now that power _____ (live) in me

There is another in the fire, whoa ooh
There is another in the fire, whoa ooh
There is another in the fire, whoa ooh
There is another in the fire, whoa ooh

I can _____ (see) the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us

There is no other name but the name that is Jesus
and still is, and will be through it all. He who was
So come on lay in the space between
All the things unseen and this reckoning
I know I _____ never _____ (be) alone

There _____ (be) another in the fire [*use the short form]
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me
_____ (count) the joy from every battle
'Cause I know that's where You'll be
There is another in the fire (x4)
