

Centuries by Fall Out Boys

Teacher Camila Mello - Kids 5

Some legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries 2x
Mummified my teenage dreams
No, it's wrong with me
The kids are all wrong
The stories are off
Heavy metal broke my
Come on, come on and let me in
The bruises on your thighs like my fingerprints
And this is supposed to match
The darkness that you felt
I never meant for you to fix yourself
legends are told
Some turn to dust or to gold
But you will remember me
Remember me for
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries 2x
And I can't stop 'til the whole world knows my name
'Cause I was only born inside my dreams
