- 2.
- 3.
- 4.
- 5.
- 6.
- 7.

2. Listen to five people talking about water pollution. Which of the comments below might each speaker make? There is one comment that you do not need to use.

1. Water pollution should be a crime,
2. People don't care about water pollution.
3. People are lacking information.
4. Although it's not much, I do my bit.
5. Preventing water pollution has more than one advantage.
6. One person acting alone won't make a difference.
