

Interviewing someone about his/her pet2

Evoquer des habitudes à la forme affirmative du présent simple

Ecoute l'interview en cliquant sur le micro de la journaliste et écris des numéros près des bulles pour indiquer l'ordre des réponses des enfants.

WHAT **do** you think
your pet **doES**
when you **are** away ?

And WHAT **do** you think
what do you think
his secret life **is** like?

I think my dog just runS around the garden

I think that my pet probably just sleepS because it's a cat, so...

I think it catches mice (and also, like, tearS paper up).

(I think it catches mice)and also, like, tearS paper up.

My cat, like, she goES around the garden, trying to catch flies and butterflies and stuff. But it's really funny because when she walkS, she lookS like a horse or something because...it's like a little gallop she doES

or he is just upstairs in my brother's room, sleeping, because he's always asleep.
