

MIGHT – MIGHT NOT

I might go for a walk after dinner, but I'm not sure.

You might not talk to him.

She might have another sandwich. She is very hungry.

We might come over and watch a movie together.

Your friend asks you about your plans for the weekend, but you are not sure. Tell her what you might do/ might not do! Look at the pictures and write sentences!

 <p>walk the dog</p>	 <p>go shopping</p>	 <p>play computer games</p>	 <p>listen to music</p>
 <p>go ice skating</p>	 <p>watch a movie</p>	 <p>visit family</p>	$e^{i\pi} + 1 = 0$ $e^{i\alpha} = \cos(\alpha) + i \sin(\alpha)$ $r = \ln\left(1 + \frac{1}{n} + \frac{1}{n^2} - \log(n)\right)$ $V - E + F = 2$ $R = \sum_{i=1}^n \frac{a_i}{b_i} \cdot \frac{c_i}{d_i}$ <p>do maths homework</p>

- 1) _____
- 2) _____
- 3) _____
