

### Modals verbs

Los modals verbs son verbos que nos ayudan a decir la obligación, sugerencias o habilidades para describir ciertas acciones o circunstancias. Siempre van acompañados de otros verbos para completar la oración.

Modal	Significado	Función
Must	Debo	Indica obligación en mayor grado
Mustn't	No debo	Indica obligación en mayor grado
Could	Podría	Indica posibilidad
Don't / doesn't	No	Indica negación
Have to / has to	Tengo que/ tienen que / tiene que	Indica obligación pero en menor grado
Should	Debería	Indica sugerencia
Shouldn't	No debería	Indica sugerencia pero negativa
Can	Puedo/ puede/ pueden/puedes	Indica habilidad

### Fórmula para formar oraciones

Modal	Formula	Examples
Must	_____ + Must+ verbo+ resto	I must study 5 hours a day
Mustn't	_____ + mustn't + verbo+ resto	I mustn't use my cellphone at night
Could	_____ + Could+ verb+ resto	I could help you with some homework
Don't ( you/we/they)	_____ + Don't+ verbo+ resto	I don't have to use my computer for 10 hours
Doesn't ( he/she / it)	_____ + Doesn't+ verbo+ resto	She doesn't have to use her computer for 10 hours
Have to ( I /you/ we/they)	_____ + Have to + verbo+ resto	They have to do their homework
Has to ( He/she/ it)	_____ + has to + verbo+ resto	He has to eat healthier
Should	_____ + should+ verbo + resto	I should use less my cellphone

### Teenager, the new addicts to their cellphones

Computers and videogames being extremely popular with the youth have often had a constructive impact on the young minds. However, some children and teens may develop a tendency to get confused between virtual and the real world or isolate themselves from society. They have a lot of problems including health, social and family issues.

#### Gadget addiction may lead to:
