Vocabulary _____/10

NOMBRE: _____ CURSO: _____ Nº: ___
FECHA: _____

0. Read and write. **(one point each)**

frightening | ~~turn off~~ | spaceship | touch | follow | entrance

Grace: Thank you for coming to the programme *Adventures in space*.
John: Hello and thank you.
Grace: So, what happened while you were exploring in space?
John: Well, at first, everything was fine. I landed on a planet that looked friendly.
I (1) *turned off* the engine and got out of the spaceship. I was collecting samples when I (2) _____ a rock. The rock moved.
Grace: Really? How long did you stay on the planet?
John: Not long after that. I was walking back to the (3) _____, when I heard a very strange noise
Grace: Where was it coming from?
John: At first, I didn't know. Then I saw lots of rockets landing on the planet. I think they were aliens. It was (4) _____. I decided it was time to leave, so I started to run. I was running back to my spaceship when I fell and hurt my knee. When I got to my spaceship, the (5) _____ didn't open. I quickly punched in my code and it opened. While I was doing that, I could hear the aliens behind me!
Grace: That's very frightening.
John: It was. I looked out of my spaceship as I was leaving. The alien rockets
(6) _____ _____ me!
Grace: Oh! Did you get back OK?
John: Yes, I did. While I was watching the rockets on the space monitors, they disappeared.
