

Ejercicios de números antecesor y sucesor:
Escribe el número según corresponda.

-1

+1

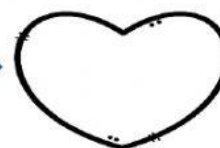

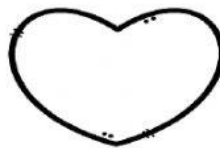

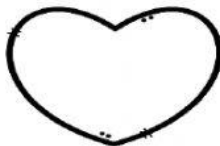

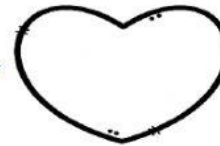

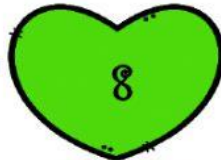

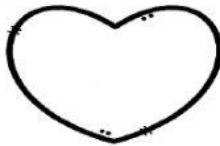

Illustration of four children (a girl and a boy on the left, and a girl and a boy on the right) standing under a string of green bunting flags. Below the children are two orange boxes with blue borders: the left box contains -1 and the right box contains $+1$.

Below the boxes is a grid of hearts for a number line activity. Each row consists of three hearts. The middle heart in each row is colored and contains a number. The left and right hearts are white and empty. Arrows point from the middle heart to the left and right hearts.

Left Heart	Middle Heart (Number)	Right Heart
