

ALEXA'S STORY

This is the story of my life:

Yesterday	Today	Next week
Two nights she went to visit her aunt. Furthermore she drank a delicious cappuccino and watched a comedy movie. It was hilarious.	She works as a teacher in a school, so she is giving class in this moment: although she is busy she has time to have lunch.	Despite she will travel to Cartagena she will work remotely and also she will get on the boat. In addition she is going to buy some gifts and she is going to take a sunbathe.

Match with the correct connector

Furthermore

sin embargo

Although

ademas

Despite

a pesar

However

aunque
