I love <sup>1</sup> **filming** videos of me and my friends. We all enjoy  
<sup>2</sup>  our BMX bikes, and some of the tricks we  
can do look great when you film them. I always try  
<sup>3</sup>  interesting places for the videos – next  
month we're planning <sup>4</sup>  a big park in London  
to make a film there. I've asked all my friends  
<sup>5</sup>  their tricks so they can do them really well.  
I'm really looking forward to <sup>6</sup>  the results.  
My friends all tell me I'm quite good at <sup>7</sup>   
videos. I wouldn't mind <sup>8</sup>  a job with  
a film company when I'm older. I'd love <sup>9</sup>   
a famous film director one day!  
Click [here](#) if you want <sup>10</sup>  some of my videos  
and watch them. I hope you enjoy them!
