Exercise 1. Read.

Have you ever climbed a mountain? I have already climbed a mountain. It was the best experience I have ever had. If you haven't climbed a mountain yet, I would advise you to try it.

I have already done many things in my life. I have already run in a marathon; I did that few years ago. I ran in a race in London and I came in second.

I have already sailed a boat. I sailed a boat across a big lake. I sailed across Lake Champlain about three years ago. It was a wonderful experience and one I will never forget.

I have also done bungee jumping. I went bungee jumping last year with some of my friends. It was really thrilling.

There are few things I haven't done yet. I haven't ridden a motorcycle yet. I would love to do that next year. I haven't ridden on a camel yet and I also plan to do that one day. I also haven't skied down the Alps yet. I am young and I have a lot of time to do these things.
