

Can't Stop the Feeling! by Justin Timberlake

're – know – can't take – Goes (2) – keep – move – drops

1) Listen to the song and fill in the gaps with the words in the box

I got this feeling inside my bones
It _____ electric, wavey when I turn it on
All through my city, all through my home
We're flying up, no ceiling, when we _____ in our zone

I got that sunshine in my pocket
Got that good soul in my feet
I feel that hot blood in my body when it

_____ my eyes up off it, moving so phenomenally
Room on lock the way we rock it, so don't stop

And under the lights when everything _____
Nowhere to hide when I'm getting you close
When we _____, well, you already

_____ So just imagine, just imagine, just imagine
Nothing I can see but you when you dance, dance, dance
Feeling good, good, creeping up on you
So just dance, dance, dance, come on
All those things I shouldn't do
But you dance, dance, dance
And ain't nobody leaving soon so _____ dancing

2) Write the extra word in the box:

I can't stop the nice feeling
So just dance, dance, dance
I can't stop the feeling
So just dance, dance, dance, come on
Ooh, it's really something magical
It's in the warm air, it's in my blood, it's rushing on
Don't need no real reason, don't need control
I fly so up high, no ceiling, when I'm in my zone
'Cause I got that sunshine in my small pocket
Got that good soul in my big feet
I feel that hot blood in my body when it drops down, ooh

I can't take my two eyes up off it, moving so phenomenally
Room on lock the way we don't rock it, so don't stop

3) Put in the right order:

- () Nowhere to hide when I'm getting you close
- () And ain't nobody leaving soon, so keep dancing
