Dear Elizabeth

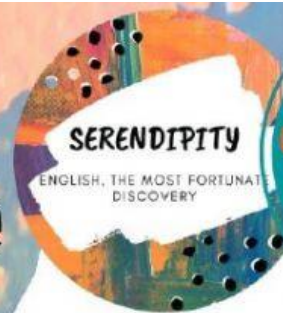

How are you?

Here's a photo of my friends in the park after school. Isabella and Kris are dancing. They're very good at it. Carlos can't dance. He is playing football with Jorge. Carlos isn't kicking the ball. Laura and Paula don't like football. They are playing tennis but they aren't very good at it. My mum's sitting on a chair under a tree. Her name's Luisa. I'm not playing sport. I've got a new camera and I'm taking photos of my friends! My dad isn't in the picture. He's taking this photo!

Write soon.
