

Grade 8 – Unit 9 – Lesson 12 – WB. Pg. 134 Writing

4 **21st** Write a short text about coral reefs (80–100 words) summarising information from Lessons 11 and 12. Make notes of the important facts you'd like to include in your summary, then draft the text.

- Underline the key facts.
- Think about how you are going to order the key facts.
- Don't copy phrases and sentences. Use new language to express ideas in a different way.
