I'm really into computers. I can write computer programmes and I love computer games. That's why I thought of buying a new computer last summer. ¹ ___ I started saving some of my pocket money each month. ² ___ So, I got a weekend job in a fast food restaurant. At the same time, I entered a competition sponsored by some IT companies. ³ ___ I had a good idea for one, so I sent it to the organisers. A few weeks later, I got an email saying that my app won the competition! ⁴ ___ And the main prize? Well, it was a brand new games console! ⁵ ___ There were speakers and a great game controller. I've already played lots of games and it was great.

- A They wanted young people to create an interesting app.
 B Just imagine how pleased I was feeling at that moment.
 C Mine was too old to play the latest games.
 D I still use it for different apps and my schoolwork.
 E And it came with some other equipment, too.
 F Still, it wasn't enough for a new computer.
