

## Why traveling is important?

According to what you listened on the video, select **TRUE** or **FALSE**

We all need a break from our everyday life.

**TRUE**

**FALSE**

It is better to spend money on material things

**TRUE**

**FALSE**

The memories people collect like treasures will remain forever and will bring more happiness

**TRUE**

**FALSE**

Traveling is a great opportunity to temporarily get away from everyday life

**TRUE**

**FALSE**

In everyday life people use to do different things, meet different people, go to different places

**TRUE**

**FALSE**

When people travel they get into unusual situations and face different challenges, it makes them push their limits

**TRUE**

**FALSE**

Traveling helps you to know yourself, to stay out of your comfort zone and to get to see your behavior in different situations

**TRUE**

**FALSE**

The best part of traveling are the places you know along the way.

**TRUE**

**FALSE**

Traveling may sound scary to some people and it's not good

**TRUE**

**FALSE**

You can do anything: explore cities, do something couch surfing, relax in nature, visit small villages and so on.
