학습목표	다양한 직업에 관한 글을 읽고 어법에 맞는 알맞은 단어를 고를 수 있다.		

◆ 알맞은 단어를 고르시오.

Florist

1	Hi, I am Tom. A florist is someone (who/which) creates beautiful things with flowers.
2	To become a florist, you need to know many things about flowers.
3	I attended a high school for florists and gardeners.
4	It was at this school that I learned how to grow and care (in/for) different types of flowers.
5	These days, florists can do a lot of different things.
6	I design movie sets sometimes and I decorate shops with flowers.
7	I am happy when I create (colorful something/something colorful) with fresh flowers and greenery.
8	If you like plants and the arts, I highly recommend you become a florist.

Sport Data Analyst

9	I am Emma. I am a sport data analyst.
10	It sounds like a difficult job, doesn't it?
11	In fact, it is a lot of fun. I work for a baseball team.
12	My job is to watch recorded games and run a computer program to collect data.
13	Then, I analyze the data to show my team's strengths and weaknesses.
14	(If/Although) the team understands their strengths and weaknesses, they can do better next time.
15	Now, in my work, I watch baseball games all the time.

16	This is a perfect job for me because watching baseball games (is/are) my hobby!

Director of a Musical Theater

17	Hi, I am Chris. As a director of a musical theater, I do a lot of things.
18	I audition the actors and I look for good, strong voices.
19	After (select/selecting) the cast, I teach them the songs for each scene.
20	Then, I put the cast and orchestra together for practice.
21	(If/During) the performance, I am in the orchestra area and conduct.
22	It's my responsibility to have each song (play/played) the same way every time.
23	I direct the musicians and the singers to keep the show together.
24	Conducting and directing is not just about waving my arms around!

Ocean Scientist

25	My name is Yeji. I am an ocean scientist. Ocean science is a big field.
26	It includes studies of the oceans and the creatures living in them.
27	Among other things, I have studied many kinds of fish living in the seas near Korea.
28	It is the growth ring in a fish that interests me.
29	By (look/looking) at it, I can find out when and where the fish was born.
30	All the information (who/which) I get from fish is used to understand sea resources and manage the oceans better.
31	My job is important because it makes the best use of nature possible.
