##### A Café La La ☺☺☺☺

It's always busy and it's got a great atmosphere, but it can get a bit loud. My friends and I often hang out here at the weekend. The coffee's good and they sell tasty sandwiches, great fruit salads and amazing vegetable soups (but they're expensive). Their grilled chicken sandwich is the best I've ever eaten! The sofas are really comfortable too. You can't use the Internet here, though.

##### B Oasis Coffee ☺☺☺☺☺

My boyfriend and I found this little place by accident. The coffee's great and so are the sandwiches and vegetable salads. They make an amazing lasagna – just try it and you'll see you've never eaten anything so tasty! There's one small room with just three or four tables but it's really nice. It's a great place if you are tired of noise – there usually aren't many people here. There are always some newspapers and magazines to read and they have installed fast Wi-Fi.

##### C Snackarama ☺☺☺

This place is OK, if loud music is not a problem for you. It's next to the sports centre. I often have a drink here and sometimes a bowl of chips. It's not very comfortable and I don't spend a lot of time here, but it's great for a quick visit. There is no Wi-Fi here but the prices are quite low. They serve tasty cakes and have got a new ice cream machine.
