

# 1st year - Use of English

Complete the text with the correct answer, (A–C).

## Emily and her sisters

Emily Mathias is a normal teenage girl. She lives with her parents and three sisters. She likes animals and she can <sup>1</sup> the cello very well. A cello is like a really big violin. But her family is different from most families. <sup>2</sup> ? Because Emily and her sisters Anna, Mary Claire and Grace are identical quads. They were all born <sup>3</sup> 16 February 2000. The four girls <sup>4</sup> got the same long fair wavy hair and blue eyes, but their personalities are very different. Emily loves horse-riding. Grace <sup>5</sup> friendly, Mary Claire likes writing and Anna's interested <sup>6</sup> science. 'Our house is very busy,' says Emily. 'We <sup>7</sup> to help with jobs at home. Every Monday I do the washing <sup>8</sup> school. But I'm happy with my life. People often ask me, "<sup>9</sup> are you? Are you Anna?" Sometimes the teacher <sup>10</sup> know. It's funny!'
